Pride in Our Past - Faith in Our Future

November 2019

# Pastor's Perspective

It has been fun watching the heart in the Welcoming Area grow this month, as we celebrate all the ways this church gives of its time, talents, and treasure. What a blessing that we have enough to share with others in this community and around the world!

Jesus tells us in the Sermon on the Mount that storing up treasures on earth is a pointless exercise—we'll find that our stockpiles are vulnerable to moth, rust, and thieves. But not so for treasure stored up in heaven. It is under divine protection. "Where your treasure is, there your heart will be also" (Matthew 6:21). The ever-growing display in our Welcoming Area reveals to me (and I hope to you) that the heart of this church is not locked in on the treasures and pleasures of this world, but rather we are pursuing heavenly treasure.

The generosity of this church family and the ministry that generosity makes possible are two of the items I will be giving thanks for this month as we approach Thanksgiving Day.

Another opportunity we will have for giving thanks as a church family this month is our annual Totenfest service. Please join us for this beautiful and poignant service of remembrance November 2-3. During this service, each person is given the opportunity to come forward and light a candle in memory of loved ones. We will offer thanks for those who have gone before us, the lessons they taught us, and the legacy they left for us. I hope you can join us!

With gratitude,  
Emily

What a wonderful surprise of cards, emails, and well-wishes for "Pastor Appreciation Day." I am blessed to be part of this church, and doubly blessed to be serving with so much loving support from the congregation. Thanks be to God for the common mission we find ourselves on together!

## Pumpkin Patch

Thank you, thank you, thank you, for those who helped with the pumpkin patch this year. I am happy to report that we are still making profit, but most important, we are still making memories for our church families and our community. It has been really fun hearing all the favorite stories from all generations about the Pumpkin Patch (everyone has one!). I loved looking at our purchase notebook to find all the children's handwriting and sales work. It has been exceptionally rewarding to hear our community neighbors' traditions and memories that have been created around our pumpkin patch. AND it never gets old to tell our church's fifteen-year-old pumpkin patch story.

## REVERSE TRICK or TREAT

## Cookie Walk Bake Sale

Christmas is coming, and so is the Bethlehem Cookie Walk bake sale. Let's make this the biggest and best year. How can we do that? Simple - lots of bakers of all ages, great varieties of cookies, fudge and treats, wonderful specialty items, and hungry shoppers. Mark your calendar now for the weekend of December 14 and 15.

## Kitchen Benevolence

Most know a tithe amount to benefit charities was included in the Kitchen Project budget. This amount totaled \$22,000.00. The Outreach Committee was charged with receiving suggestions, and researching those suggestions to determine if the organizations were worthy of consideration for donation. After much research, we received 13 suggestions from Kaye Platts, Pam Wiseman, Elaine Shreffler, Brian Newton, Carol Newton, Pam Small and Bill Gilbert. The 13 organizations were presented to Council, and 12 were approved for donation. It is indeed significant this tithe was built into the Capitol Campaign, and that we have the opportunity to truly make a difference to those selected.

The organizations, a short synopsis, and amounts approved were:

**1. T.O.U.C.H.** Touch is committed seeing that no one facing cancer is forced to do without basic needs during treatment. Touch is local, an all volunteer organization and headed by Rev. Phil Hoy, a retired UCC pastor. \$2,000.00

**2. Bridge Builders Transportation, New Hope Development Corp.** A ministry of New Hope Missionary Baptist Church, Bridge Builders provides transportation to our community since 2015 with a fleet of 6 vans and 15 volunteer drivers, primarily taking people to work and back. Riders pay based on need. \$2,000.00

**3. Harvest Time Inner City Ministries** % First Ebenezer Baptist Church Designated for the Hot Meal Ministry. Church volunteers serve meals in a soup kitchen at noon 3 times per week. \$2,000.00

**4. St Lucas UCC.** Designated for the Sunday AM Breakfast Ministry. The ministry provides a hot breakfast every Sunday at 7:30 AM for the hungry and homeless since 2007. Staffed by volunteers. Currently serving 125+ each Sunday. \$2,000.00

**5. Jack Henry Gates Memorial Community Laundromat.** Since 2015, with two minimum wage employees, provides washers, dryers, and detergent for anyone who needs to do laundry. They operate through donations and business partnerships, and receive no government funding. \$1,500.00

**6. UCC Disaster Ministries designated International Emergency Relief Fund/Hurricane Dorian relief/Bahamas.** \$1,500.00

**7. EVSC Foundation designated Teacher Locker.** Located within AIS School, Teacher Locker is a place where teachers can receive free school supplies, therefore saving teachers out-of-pocket expense. \$2,500.00

**8. Sleep in Heavenly Peace.** A nationwide ministry where volunteers build and deliver beds and bedding for children who need them. \$2,000.00

**9. Back Bay Mission Designated Construction Supplies.** This is the site of multiple mission trips. Nine BUCC members went Oct. 26 for one week. \$1,500.00

**10. Bethlehem UCC Cub Scout Pack.** To be used to purchase a trailer for their monthly camping trips, and to store camping gear. \$1,500.00

**11. EVSC Foundation designated Culver Closet.** BUCC members Lino and Pam Wiseman have a designated space in Culver School to set up a Clothing Bank for kindergarten and pre-school children. \$1,500.00

**12. Isaiah 1:17 House.** They provide physical and emotional support in a safe and loving home for children awaiting foster care placement. All volunteer help. \$2,000.00

## **Solar Array Numbers**

Year to date savings through 9/30 2019 have been \$7002.02.

Accumulative savings since installation, through 9/30 have been \$23,175.41.

Thanks to everyone who helped with the Bucket Blitz either through your contributions or by helping the children fill the buckets. Because of your generosity we were able to exceed our goal of 30 buckets, and hope to continue this project next year.

---

A big thank you to all of the Visitor of the Week men and women that have been so faithful in visiting our home bound members at Bethlehem. This is a very important service that we do here at church, and I appreciate you answering the call. With a new year coming, I do hope there are those members that would like to join in and help with this ministry. Those interested in learning more about the Visitor of the Week, please give me a call at 812-453-3995.

Thank you so much.

Pam Small, Chair

Thank you Bethlehem UCC members for your continued and gracious donations of the Food Pantry of St. Matthew's Church. Thus far in 2019, we have served 300 families, 750 individuals, plus 65 monthly senior food commodity boxes.

Allene Saunders  
Food Pantry Coordinator

Our fish fry on Saturday, September 21<sup>st</sup> was another huge success. We were blessed with a beautiful day, hungry guests and many enthusiastic volunteers. We served over 350 meals in three hours. What an accomplishment! Our new kitchen got its first big test and it worked out great. What a blessing. As a result of the fish fry, Bethlehem will be able to make a monetary contribution of \$1345 to be split between the Tri State Food Bank and Gather Network International. In addition, Bethlehem made a food donation of approximately \$150 to the Evansville United Caring Services.

Thank you, everyone, for helping make this ministry a success.

## 52 WAYS TO CARE FOR CREATION NOVEMBER BULLETIN INSERT

### WEEK 45: GET OUT AND VOTE

Check out Creation Justice Ministries voting guide to brush up on how to be a creation care voter. Our votes determine who makes decisions for our nation. Prioritize voting for candidates that prioritize creation care. You can also check your state government websites for information about all the candidates to help you make an informed decision.

### WEEK 46: INVEST IN A REUSABLE WATER BOTTLE

Cut down on plastic by carrying your own water bottle with you. Preferably a reusable one made of aluminum rather than plastic. You will find that you save money by bringing your own water instead of buying new bottles every time you are thirsty.

### WEEK 47: WORK WITH YOUR LOCAL GOVERNMENT TO SPONSOR A RECYCLING EVENT FOR ELECTRONICS OR HAZARDOUS WASTE

With the holidays coming, new electronics are likely to be under the tree. Make room for the new by safely recycling the old. Too much on your plate? See if an event like this already exists in your community and attend!

### WEEK 48: #OPTOUTDOORS THIS BLACK FRIDAY

Instead of buying more stuff this black friday opt outdoors. This alternative is greener plus you save money and can spend quality time with family and friends.
